6" ATV ALL-TERRAIN VISE™

10010

Some jobs go beyond the workshop; some jobs make you come to them. For the jobs that demand function, strength and mobility we present the All-Terrain Vise by Wilton. Secure it in your hitch or mount it on your bench, the ATV is locked, loaded, and ready to go.

FEATURES

- Fits a standard 2" hitch and includes a hitch pin for security.
- Can be mounted on a bench or trailer for even greater versatility with the included mounting bracket.
- Lightweight and with an integrated carrying handle, the ATV is designed for easy transport.
- Patented 360° locking handle secures the handle while driving or repositions it while working.
- The included set screws are designed to provide a tight fit in the hitch and reduce vibration while driving.
- Water resistant for all weather protection while it's on your truck.
- Large striking anvil for forming and shaping materials.
- Ideal working height doesn't interfere with truck bed or tailgate.
- Jaws are replaceable and include a v-groove for vertical clamping of round objects.
- Pipe jaws clamp round objects up to 3".
- 60,000 PSI ductile iron body
